

+ On the Website

Instead of mailing the newsletters you will now find it on the hospital website. If you do not have access to the website please ring me and I will organize to have it sent out to you.

Thanks - Jitka

Volunteer Luncheon 2015

Over 50 volunteers attended our volunteer thank you luncheon last month. There were lots of noisy conversation and laughter. We hope you all enjoyed yourselves. We cannot thank you enough for all for the wonderful work you do.

Training Session - Supporting people who have dementia

This week we held our second round of training for volunteers, staff and families on supporting the communication and sensory needs of our older residents, patients and family members who have dementia. The sessions were well attended with everyone feeling they gained a lot of valuable information. Thankyou Tracey for your beautiful presentation which demonstrated both your passion and empathy.

Over the past month our volunteers have commenced in the Geriatric Evaluation & Management Ward (GEM) in the hospital. Here they support staff working with patients to regain and improve their physical, personal and social wellbeing ~ with the aim of returning home. The volunteers mostly enjoy conversations, and participate in social games and activities with patients. Here Anne enjoys reading through the paper with a patient.

Everyone has the power for greatness, not for fame but greatness, because greatness is determined by service. You don't have to have a college degree to serve.

Martin Luther King, JR.

Volunteers attending our volunteer thankyou luncheon.

Peter Bolton works as treasurer on the hospital auxiliary. However this is not all he does. I recently found him selling raffles tickets to raise funds at Coles in Kilmore. Thanks Peter. Your work does not go unnoticed.
