Our Community

to celebrate 150 reasons...

History

OVER 150 YEARS AGO...

From as early as 1856, The Kilmore Benevolent Society was providing Government funded healthcare to our community. In the year 1858 the community raised funds of 1269 pounds and the Government granted 500 pounds for the building of a hospital. The building was completed in late 1859, with the first patient admitted on 6th January 1860.
